

# Fists

(Bonus) The 1st Unlockable Light Weapon ---- Price - \$0 Damage Dealt - 14 Slash Cooldown - 0.53 second(s) ---- DPS - 28.30 Walk Speed Multiplier - 1 ---- Weapon Trivia - Fists was originally only obtainable via equipping a ranged weapon, you would spawn with fists as an extra weapon. - The weapon itself is likely a reference to the secret fists option from Mortem Metallum, in which you equip no weapons upon spawning. - You can equip enchants and skins on fists, however skins do not appear unlike enchants. - Fists are disputably the worst weapon in the game.
