

Matatibi

The 1st Boss on Combat Warriors ----- Introduced in Update 1, we have Matatibi. In order to face off against Matatibi, you must access the server list on the main menu and join the Boss Fights server type. Your reward for fighting against Matatibi is Matatibi's Treasure Key. The key is used to open up Matatibi's Treasure in the shop. When fighting Matatibi, they'll run, stomp, bite, roar, spin, jump, slam, and claw. During the battle, Matatibi transforms. When transformed, he shoots energy bombs and lasers. He even spawns meteors from the sky. Matatibi is an extremely difficult boss that requires a lot of skill. If you think you have what it takes, take a try at it. Maybe you'll get lucky.

----- Trivia: - Matatibi is based on Matatabi, the second tailed beast from the anime and manga series Naruto - The Matatibi boss fight has faced controversy due to it's difficulty and performance issues.
